Competition

Our first competition is coming up in a couple of weeks at Mentone with our Mt.Martha Regional one to follow a week later. Mt.Martha is qualification for all teams and iron nipper for state championships.

Registration is today in the clubhouse for both competitions. Cost is \$15.00 per nipper per competition to be paid when registering. U8's can compete in both these competitions but not at state.

Great Success!

Well what better day could we of wished for at our BaySwim. Thankyou to everyone that helped to make it a great day. The feed back that I received was numbers were well up, nipper's competing were right up from last year, helpers were everywhere and feed back from competitors about registering and the actual swim was incredible positive. It was pretty amazing to see the sea of red at the starting line of the junior girls swim, boys you need to pick up your game!

After the BaySwim some lucky mums, dads and nippers that were still there helping pack up were grabbed by 101.1 Fox Fm and asked to participate in some games to win prizes. The kids spent ages playing games, laughing and having so much fun. Brigette Hyde thought she was so clever winning both of the first games and earn herself 2 dvd's, until the dark horse Clay Nettlefold slide under the radar to win a dvd and a \$50.00voucher. Some photos of the kids can be found on the radio station's website.

If you still want to go to State Championships in Lakes Entrance the club has reserved 10 sites. If you are interested you need to contact Kris McGhee and pay a \$50.00 deposit made out to the club.

Our first Hayden Owens and Shelley Paterson session (training for competition) was held on Friday night. It was a great turn up and the kids were trained very hard. We are hoping there will be more of them so if you couldn't make this one be sure to attend the next one if you intend on attending competition. Thanks to Hayden, Shelley and all our WSO's for their effort. See you on the beach.
